Welcome, Kristi Wells, DPT!

Kristi Wells, DPT, a New Orleans native, earned her Bachelor's degree in Kinesiology from LSU in 2010 and her Doctorate in Physical Therapy from the University of St. Augustine, San Diego, in 2014. Her move to California ignited a love for travel, leading her to live in four different states before returning to her hometown.

With over a decade of experience in physical therapy, Kristi has worked with a diverse patient population, ranging from young adolescents to older adults. She is certified in pelvic health rehabilitation, specializing in postpartum care, and has honed her skills in treating a wide variety of conditions, from sports-related injuries to mobility challenges.

Kristi's passion for pediatric therapy grew after becoming a mother. She is dedicated to helping children thrive both in and out of the classroom. As a certified yoga instructor, she integrates mindfulness and calm into her therapy sessions.

Outside of work, Kristi is a fitness enthusiast who enjoys weightlifting. She loves spending time with her husband, two daughters, and their dog while exploring farmers' markets, attending music festivals, or visiting the beach.
